Harriet Wong  
Office Manager  
Asia Pacific Business Centre  
Tower Two, Lippo Centre  
Hong Kong

Dear Harriet,

With our pending departure from the Asia Pacific Business Centre (APBC), we would like to express our gratitude for the exemplary service and assistance provided to CoorsTek over the past 2+ years in Hong Kong. The entire staff at the APBC has consistently met or exceeded our expectations. This assistance also extended to help in handling both office related matters and help during our settling in/orientation time in Hong Kong.

The highly efficient and cheerful atmosphere of the APBC has truly made our stay in Hong Kong a very pleasant one. We wish to express our extreme gratitude to everyone at the APBC for a job well done. We would strongly recommend the APBC to any companies considering establishing a Hong Kong site. The location of the APBC is also superb and offers ready access to mass transit and Hong Kong's financial centre on Hong Kong Island.

Many thanks to everyone at the APBC and best wishes going forward.

Sincerely,

C. Grant Sonju
